

What is Share-A-Fare?

Share-A-Fare is a transportation subsidy program for individuals with disabilities and seniors age sixty (60) or over. Share-A-Fare provides a \$4 per-ride subsidy to eligible individuals to take up to 52 rides per year with our transportation network partner, SendaRide®. The program is designed to provide transportation alternatives for destinations outside the service area of EMBARK's public transportation system. You must be sixty (60) years of age or over OR have a disability that can be verified by a physician or certified health professional; AND, reside in Oklahoma City (must receive water bill from Oklahoma City).

How to Apply

- 1. Complete the information below. EMBARK will process your completed application and you will receive a letter notifying you of your eligibility status and how to schedule a trip.
- 2. **If you are applying based on AGE**, include a copy of your government-issued photo id to verify your birthdate.
- 3. **If you are applying based on DISABILITY**, include a note from your physician or certified health professional on letterhead or a prescription note pad that states your disability.
