Friday: 6am - 2am
Saturday: 7am - 2am
Sunday: 7am - 10pm

Hours may change for special events. Visit okcstreetcar.com/schedule for the most up to date times.

BOARDING & RIDING

1 Preparing:

Know where you're going. All rides start and end on a streetcar platform. Review a map and check arrival times by platform at realtime.okcstreetcar.com. When you arrive on a platform, check the screen for arrival times and/or service notices. Have your fare ready before the streetcar arrives. Buy fares on your phone with the Token Transit app or use the ticket vending machine on the platform - cash, coins, and credit/debit cards accepted. No change is issued.

2 Boarding:

With level boarding, it's easy getting on a streetcar. All streetcars and platforms are ADA accessible. When the streetcar comes to a complete stop, please allow for departing riders to exit the streetcar first, then board. If no one is exiting, press the yellow door button to open the doors. Grab a seat or hold on to a handrail/strap. Don't forget, leave priority seating for those who need it. And of course, never block the doors.

3 Riding:

Once you're on your way, check your phone, listen to your headphones or chat with people you see every day, but stay aware of what stops you're approaching. We'll help with on-board stop announcements. If you need off, simply press a blue stop button or the yellow door button to request the next stop. The streetcar will not stop at platforms unless a stop is requested.

4 Arriving:

As you approach your destination, wait for the streetcar to come to a complete stop. Grab your things and head out. Push the yellow door button to open the doors, then exit. After you exit the platform, remember to look before you cross and always use crosswalks.

FARE & APP INFORMATION
